DESCRIPTION

With the introduction of the un-upholstered Beetle Counter Chair, the collection has bloomed into a chair series with unlimited possibilities. The Beetle Counter Chair is no longer only an upholstered counter chair but also available with a polypropylene plastic shell, giving it a lighter expression with notable durability at a lower price point. The counter chair's subtle matte texture offers a soft tactility where its outstanding sitting comfort is obtained. Thanks to the wide spectrum of colour and base options, the un-upholstered Beetle is an ideal solution for both formal and informal spaces alike. Mix and match between the seven harmonious colours to create a personal expression. The height of the counter chair contributes to its light expression, which makes it blend into any interior naturally and with grace.
