

**DESCRIPTION**

The Bloop coffee tables are a harmonious pair, defined by symmetry with a twist. Featuring two circular wooden planes - one smooth on top, the other curved beneath - each table is connected by a vertical element. The tables vary in height and size, allowing for versatile combinations. Crafted from sustainably sourced solid wood the seamless transitions between elements evoke organic beauty and natural symmetry.

**PRODUCTION PROCESS**

Tables are crafted from carefully selected, high-quality solid wood, chosen for its durability and distinctive natural grain. Each piece of wood is precisely cut and shaped to achieve clean lines and balanced proportions. Skilled artisans meticulously assemble the components using traditional joinery techniques, ensuring lasting strength and stability. Surfaces are finely sanded to enhance the wood's texture and prepare it for finishing. The final stage involves applying a chosen finish - whether natural oil, wax, or another treatment - to protect the wood and highlight its organic beauty. The result is a versatile, handcrafted table that seamlessly blends functionality with timeless design.
