### ITEM NUMBER

Moon Dining Table - Elliptical, 290x105, Solid Wood, 47159

### DESCRIPTION

Space Copenhagen is the designer behind the classic Moon Coffee Table; a series of organic rounded tables for both domestic and public spaces. The interplay between the beautiful solid oak table top and the smooth half – or full moon shaped base, with a beveled surface, serving as structure and ornament, creates a simple yet strong identity for the design. The result is an elegant table with clear references to traditional Danish carpentry, where the tribute of marriage between design and craftsmanship is in focus.

The table collection consist of oval dining tables, round dining, - lounge and - coffee tables. The table top comes in a solid oak, a veneer oak version in black stained lacquered finish and a grey Emperador marble. The base comes in a solid oak and a brown/black stained veneer oak lacquered finish. The solid oak versions comes in a natural oak that is oiled or soap treated.
