The Elora Cabinet combines the traditional aesthetic of classic beadboard cabinets with solid craftsmanship and muted, contemporary hues to create a distinctly modern design. Featuring a smooth satin finish, delicate brass-plated handles, and precision-cut doors on an elevated platform, the Elora Cabinet provides ample storage within a minimalist, contemporary form.

Part of the Elora Storage Series, this Cabinet matches perfectly with the End Table and Media Stand.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit guscontract.com for more information about our Trade & Contract programs.

Elora Cabinet

- Constructed with engineered wood panels which feature a painted, subtle satin finish.
- Door faces feature graduated, precision-cut V-grooves and brass-plated handles.
- Brass handles are inherently antimicrobial and assist in decreasing the spread of germs.
- Features two soft-close doors with brass-plated handles and adjustable hinge hardware.
- The inside of the cabinet has two adjustable shelves for efficient storage space and a subtle linen-look textured finish.
- The outside of the cabinet has a smooth satin finish.
- Plastic bumpers on the platform base to protect hardwood floors.
- CARB (California Air Resources Board) Phase II compliant.
