The Elora End Table combines the traditional aesthetic of classic beadboard cabinets with solid craftsmanship and muted, contemporary hues to create a distinctly modern design. Featuring a smooth satin finish, a delicate brass-plated handle, and a precision-cut door on an elevated platform, the Elora End Table provides ample storage within a minimalist, contemporary form. Part of the Elora Storage Series, this End Table matches perfectly with the Elora Cabinet and Media Stand.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit gusmodern.com for more information about our Trade & Contract programs.

Elora End Table

- Constructed with engineered wood panels which feature a painted, subtle satin finish.
- Door faces feature graduated, precision-cut V-grooves and brass-plated handles.
- Brass handles are inherently antimicrobial and assist in decreasing the spread of germs.
- Features a soft-close door with a brass-plated handle and adjustable hinge hardware.
- The door can be removed and reversed, allowing it to be opened from either the right or left side.
- The inside of the end table has one adjustable shelf for efficient storage space, and a subtle linen-look textured finish.
- The outside of the cabinet has a smooth satin finish.
- Plastic bumpers on the platform base to protect hardwood floors.
