Endless is a modular sofa system with an endless amount of possibilities. This modular sofa, with its infinite possible configurations, has a variety of options for modules, terminal pieces, seat depths, and arms heights.

Endless has a luxurious seat comprised of coils, memory foam and fiber, which gives an overall effect of a well-proportioned unit floating above the ground applicable for both residential and contract spaces.

With a removable cover, and legs that act as connectors, the Endless is built to last, and would enrich any living area, large or small.
