With an inviting, coastal modern feel, the Finley End Table is the embodiment of simplicity. Available in two colorways, natural or black-stained solid FSC®-certified ash wood, this pared-down staple uses gently curved edges and top-to-bottom symmetry to bring an inherent warmth to your seating arrangement. Let it stand alone or nest it with sofas, chairs, and ottomans as a cozy spot to perch laptops and coffee mugs.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit gusmodern.com for more information about our Trade & Contract programs.
