## DESCRIPTION

The Hanny table is a timeless fusion of contemporary design and traditional craftsmanship. One of the first pieces created by Artisan, it beautifully showcases the organic beauty of wood, with clean, sharp lines that enhance its elegant form. Meticulously crafted and manually assembled, the table highlights the natural grain of the wood, offering both style and function. Its refined design makes it a versatile centerpiece for any space, embodying Artisan's commitment to quality and timeless appeal.

## PRODUCTION PROCESS

Tables are crafted from carefully selected, high-quality solid wood, chosen for its durability and distinctive natural grain. Each piece of wood is precisely cut and shaped to achieve clean lines and balanced proportions. Skilled artisans meticulously assemble the components using traditional joinery techniques, ensuring lasting strength and stability. Surfaces are finely sanded to enhance the wood's texture and prepare it for finishing. The final stage involves applying a chosen finish - whether natural oil, wax, or another treatment - to protect the wood and highlight its organic beauty. The result is a versatile, handcrafted table that seamlessly blends functionality with timeless design.
