

## Host Dining Chair

Do we really need chairs? Well, if we don't want to stand, sit or lay on the floor, the answer is a resounding "yes!" Do they need us? Nope, not one bit. But don't let that tension get in the way of a beautiful relationship. Sit with comfort and style. Rest your arms and know that Host will take care of you and your guests. Fully upholstered and (well) padded seat bucket features a soft facet back detail. With solid wood legs. Shop the entire Host Collection
