

DESCRIPTION

The Latus console, a testament to the fusion of strength, nature, and the poetic essence of timber as a material. The beautiful Latus collection embodies emotion, form, honesty, and a logical approach to timber, enhanced by the innovative high-tech technology curated by Artisan. Available in seven distinct wood types - Oak, European walnut, American walnut, maple, elm, cherry, and ash. Choose from a spectrum of natural finishes, oils, and soap options, with the added feature of two and three-drawer configurations.

PRODUCTION PROCESS

Tables are crafted from carefully selected, high-quality solid wood, chosen for its durability and distinctive natural grain. Each piece of wood is precisely cut and shaped to achieve clean lines and balanced proportions. Skilled artisans meticulously assemble the components using traditional joinery techniques, ensuring lasting strength and stability. Surfaces are finely sanded to enhance the wood’s texture and prepare it for finishing. The final stage involves applying a chosen finish - whether natural oil, wax, or another treatment - to protect the wood and highlight its organic beauty. The result is a versatile, handcrafted table that seamlessly blends functionality with timeless design.
