

Myles End Table

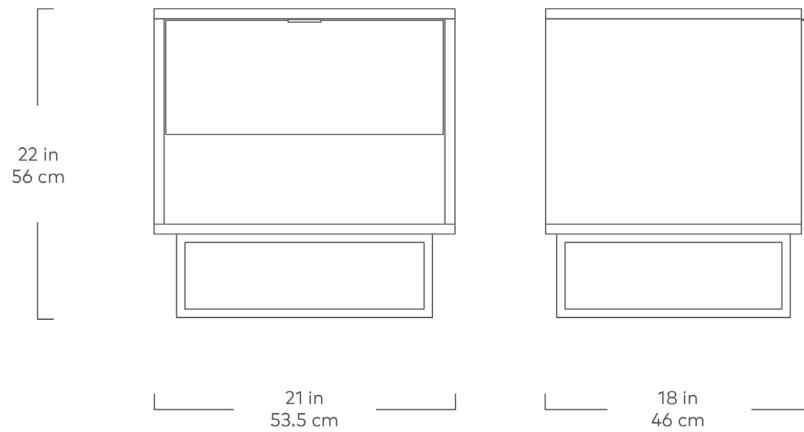

Black
Oak

The Myles End Table combines subtle details and craftsmanship to create a storage design that exudes simple sophistication. A drawer features rose gold handles contrasting dark stained, chevron-patterned oak faces. A recessed, slender steel base with black, powder-coated finish creates an illusion of weightlessness. The Myles design incorporates an open space below the drawer, for stylish display of books and magazines. Part of the Myles Storage Series, this table matches perfectly with the Myles Media Stand and Credenza.
