Orbo Lounge Chair

The Orbo Lounge Chair is a sculptural piece defined by playful, rounded geometry and an inviting, cloud-like presence. With an inner structure made from FSC™ Mix-certified wood, its continuous forms create a modern silhouette. The chair features an oversized base, with the option of a swivel function, and a smooth profile. A tubular backrest arches fluidly across the seat, creating a nest-like feel. Grounded proportions enhance comfort while reinforcing the chair's sculptural appeal.
