

# PEBBLE RUG

**MARGRETHE ODGAARD ON THE DESIGN** "Pebble Rug is inspired by the sensuous feeling of a pebbled beach with its diverse and tactile surface, inviting you to take off your shoes and walk across it barefooted. With a handwoven structure that references sartorial textiles, the Pebble Rug plays with the contrasting feel of its soft, woolen loops, sitting atop a canvas base in a sturdier wool quality. Pebble Rug brings a new perspective to any space through its tactile loops, like sprouts in a bed of moss, joined by the distinct woven texture of its surface."

**DESCRIPTION**  
Pebble Rug has a diverse and tactile surface, inspired by the sensuous feeling of walking across a pebbled beach. Its handwoven structure contrasts the feel of its soft, woolen loops with a canvas base in a sturdier wool quality. Pebble Rug has a distinct and modern woven texture for any home, hospitality setting, lobby, hotel space or co-working area.

**PRODUCTION PROCESS**  
Pebble Rug is produced by combining the hand loom techniques of loop pile weaves and flat weaves. To create the loop pile pattern that gives Pebble Rug its tactile structure, the thick wool fiber yarn is wrapped around a special rod during weaving for an even and precise loop effect. This special handloom technique integrates the loop piles harmoniously into the flatweave base of the rug, created from jute fibers.

**MATERIAL**  
Pebble Rug is hand-woven from 100% New Zealand wool. Backing in 100% cotton, pasted with synthetic latex which ensures that the rug lays smoothly on the floor.

Pebble Rug is made from wool. The color of wool may vary due to the wool's natural base color. This means that the Pebble Rug can have slight color variations from one rug to the other as a result of the inherent characteristics of wool, enhancing the natural sentiment of the Pebble Rug.

The base of the Pebble Rug is made in jute. Being a plant-based material, the color of jute will vary according to its place of origin, harvest, weather conditions and more. This means that the Pebble Rug can have slight color variations from one rug to the other as a result of the inherent characteristics of jute, enhancing the natural sentiment of the Pebble Rug.

The rug comes with a canvas backing pasted with synthetic latex which ensures that the rug lays smoothly on the floor.

Please note that all sizes of the Pebble Rug have a sizing toleration of  $\pm 2\%$ , meaning that the dimensions of the rug can differ by a maximum of  $2\%$ .

**CLEANING AND CARE**  
For general care of the rug, we recommend gentle vacuum cleaning on a regular basis. Please use the vacuum cleaner without brush head to avoid tearing of the pebbles. For cleaning of stains or spots, we recommend professional dry cleaning. Avoid cleaning with water, as this will damage the product.
