

# PH 5 ANNIVERSARY EDITION

The fixture provides a comfortable, glare-free light, based on the principle of Poul Henningsen's reflective three-shade system, which directs the majority of the light downwards. It emits a lateral light as well as illuminating itself, providing a soft radiance from within its core. The lower shade is furthermore fitted with a frosted diffuser glass to ensure that the downward directed light is 100% glare-free.

## Poul Henningsen

The very influential Danish designer, architect, writer, and cultural critic, Poul Henningsen (1894-1967), has had a huge impact on Danish thinking and design. His legacy is an integrated part of Louis Poulsen's endeavor to shape light.

## Product info

### Environmental Product Specification

This product is compliant with the requirements contained in the European Directives, RoHS Directive 2011/65 and 2015/863. This product is designed so that 100% of the product can be disassembled and reused.
