

PH 3½-3 PENDANT

The fixture is 100% glare-free, with a design based on the principle of a reflective three-shade system, which directs most of the light downwards. The shades are made of deepdrawn aluminium with white inner surface that ensures gentle, downward light distribution. The downward light is both soft and pleasant.

Poul Henningsen

The very influential Danish designer, architect, writer, and cultural critic, Poul Henningsen (1894-1967), has had a huge impact on Danish thinking and design. His legacy is an integrated part of Louis Poulsen's endeavor to shape light.
