

Towne Lounge **NEW**

Gus*

UPHOLSTERY > Fabric or Leather
LEGS > Black Powder Coated Steel

Mid-century style meets this-century ease. The Towne Lounge features a slender profile, elevated metal base and a blind tufted seat that brings a touch of refinement to contemporary residential or commercial spaces – without sacrificing comfort. Perfect for a living room, bedroom or entryway, this smaller-scaled lounge functions as standalone seating, or it can be combined with the Towne Sofa to create the Towne Bi-Sectional. The frame is constructed with kiln-dried 100% FSC®-Certified hardwood in support of responsible forest management.
