WHY CORE VALUES?

The Australian government has identified that the teaching of core values from an early age represents a great benefit to the wider community. One only needs to look around at the present state of our youth and identify aspects that may be missing from their personal values, way of thinking and general respect for society.

ACTIVE PLAY CORE VALUES RANGE

Foam Pyramid Gym Centre Set

Extensively used by Occupational Therapists and Physiotherapists to assist with rehabilitation and skill development. Our extensive range of products are made of the finest quality foam. They are covered with a water repellent, P.V.C coated polyester material (featuring a built in bacteria inhibitor) available in a range of brilliant colours. This material is also flame retardant as set out by the Australian Standards AS 1530.2.3 and incorporates maximum UV absorbers to protect against harmful sun rays. It remains soft and durable and is easily cleaned and sterilized with methylated spirits. Hardening, cracking and peeling does not occur. Theraplay Foam Shapes have unlimited combinations of activities when young minds begin building with all the different shapes.

Assembled size 150cm x 150cm.

FSHA013 \$1239.00
