Buffalo Sports Safety Dome Markers - Set of 40

Set of 40 Safety Dome Markers on stand.. Super soft ground marker made from rubberized material. Retains perfect shape when stood on and helps prevents injuries. Available in red, blue, green, yellow, white, pink & orange. There is other manufacturers safety markers, and then there is the Buffalo safety marker. Unrivalled in the market, using real soft rubberized material for safety. Others claim there markers are soft, but really they are an inferior plastic. The Buffalo safety marker will retain shape after being stood on, run over with the car and treated with no respect! Dimensions: 21cm wide x 8cm high.

WWW.BUFFALOSPORTS.COM.AU

THE GAME OF PICKLEBALL - BASIC RULES

NOTE - ONLY USE OFFICIAL PICKLEBALL BALLS FOR GAMES, OTHER BALLS MAY DAMAGE PADDLES

THE SINGLES GAME
THE GAME, HOW PLAYED
Played by 2 players.

SERVER

Before serving the server calls out the score, the server's score first and then the receiver's score.

THE SERVICE

The server's score determines the side from which to serve. Serves are executed on the right side of the court when the server's score is an even number (0, 2, 4, ...), the left side when the server's score is odd (1, 3, 5, ...).

THE DOUBLES GAME

COURT

Pickleball is played on a court with the same dimensions as a badminton court.

THE GAME, HOW PLAYED

Played by 2 pairs using pickleball paddles and a pickleball ball.

SCORE

A game is usually played up to 11 points and must be won by 2 clear points.

POINTS, HOW SCORED

A point can only be won by the serving player/team. A ball that hits a line is 'in', unlike in squash when a ball hitting a line is 'out'.

SERVICE

Serves are diagonal, like tennis, starting on the right-hand side and alternating.

The serve must

- clear the NON-VOLLEY ZONE (including the non-volley line)
- be played underhand with the paddle below the wrist and below the waist

DOUBLE BOUNCE RULE

Each team must play their first shot off of the bounce. That is, the receiving team must let the serve bounce and the serving team must let the return of the serve bounce before playing it. Once these two bounces have occurred, the ball can either be volleyed or played off the bounce.

GENERAL OPEN PLAY

The struck ball, whether volleyed or hit after a single bounce, must cross to the opponents side of the court in the same manner as a tennis shot (i.e. without bouncing on the strikers side of the net or hitting a ceiling etc).

VOLLEYS

Volleys are only allowed when both of the player's feet are behind the non-volley zone line. Also, the point is lost if the volleyer's momentum carries the player into the NON-VOLLEY ZONE after volleying (like running into the tennis net).

The server must:

- keep both feet behind the back line when serving (as with tennis)
- serve the ball from the air without being bounced (as with tennis)*
- announce the score before serving, 3 numbers: server's score; receiver's score; server number (1 or 2)

A server gets 1 service attempt.

At the start of a new game only 1 player in a team serves, initially after saying the score 0-0-2. When the service is lost and 'Side Out' occurs, then both players in the opposing pair get to be the server.

*Provisional Rule for 2021. Drop Serve. Server releases the ball from a height and strikes the ball with either a forehand or backhand motion after the ball bounces.

PADDLES

Buffalo Sports Hyper Series Fibreglass Pickleball Paddle

TABLE TENNIS TABLES

Buffalo Sports All Seasons Outdoor Fixed Table Tennis Table

- Featuring a high-quality 5mm SMC tabletop, it delivers excellent playability with a tested ball bounce of 230mm-260mm.
- The sturdy 50mm frame and reinforced undercarriage (100x20mm & 50x50mm) provide exceptional strength and longevity.
- Rigorously tested for impact resistance, the table can withstand a 1040g ball drop from 1,000mm without damage.
- Complete with an original fixed outdoor net and post set, this table is ready for immediate play.
- Measuring 274 x 152.5 x 76 cm and weighing 121kg, it's designed for heavy-duty outdoor use.

TAB051 \$949.00

Buffalo Sports International 25mm Table Tennis Table

- Made from premium-grade materials, it features a 25mm MDF tabletop with a blue coating, ensuring a consistent and reliable ball bounce for competitive play.
- The sturdy 30mm x 60mm black frame and robust 50mm x 50mm powder-coated undercarriage provide excellent stability and support during intense matches.
- Equipped with eight maneuverable 125mm wheels—four of which are lockable—this table is easy to transport and secure in place.
- Its compact design allows for convenient storage when not in use.
- Measuring 274 x 152.5 x 76 cm and weighing 121kg, this table is built for serious indoor play.
- Includes top grade net and post system.

FOR MORE SPECIALS VISIT
WWW.BUFFALOSPORTS.COM.AU

The sport is played on an indoor or outdoor court measuring forty metres by twenty metres (130 feet x 65 feet) Courts can be modified to suit juniors. At each end there is a 'frame' (a device similar to a trampoline off which the ball bounces) which measures one square metre and a semi-circular 'D' measuring three metres (10 feet) out from the frame in all directions. Each team can score on both ends on the field, and comprises twelve players, of which nine may be on the court at anyone time. In order to score a point, the ball must be thrown by an attacking player, hit the frame and bounce outside the 'D' without being caught by the defending team. Physical contact is prohibited, and defenders may not attempt to intercept the attacking team's passes. Players may take three steps with the ball, hold the ball for a maximum of three seconds, and teams may not pass the ball more than three times before shooting at the frame.

Basic rules:

- Two teams of 9 players each (men or women) compete to score points
- A player scores a point when he bounces the ball onto either of the two trampolines and it touches the ground outside the semi-circle facing the trampoline.
- If a player of the attacking team misses the frame, or if the ball touches the ground outside the court before or after the bounce, then the defending team scores a point.
- Each team can score a point on either of the two trampolines.
- 1 field of 16x32m and an official size Tchouk ball
- Playing the game.
- The player can take 3 steps and is not allowed to bounce the ball on the ground between these steps.
- The attacking team cannot make more than 3 passes before shooting.
- When a pass is dropped or not completed (i.e. the ball touches the ground), the other team gets possession.
- The defending team cannot hamper the attacking one.
- Touching the ball with one's feet or legs below the knee is forbidden.

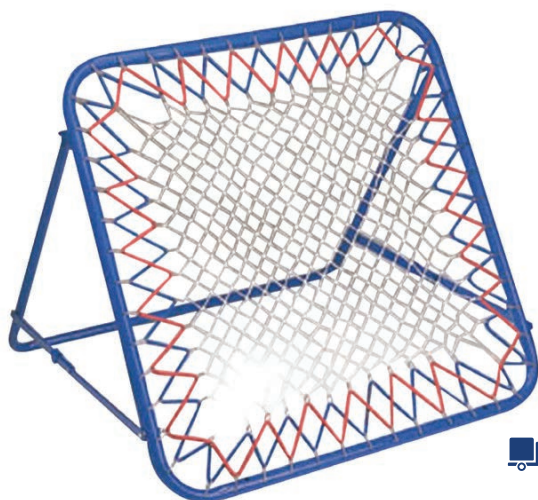

Buffalo Sports Official Tchoukball Kit

Kit includes:

- 2 Official Tchoukball Goal Rebound nets.
