- Radio easily fits in the palm of your hand weighing just 3 ounces and measuring 3.6" x 1.9" x 0.6"
- Bluetooth compatible

*Actual size shown

Stay Safe & Connected

Stay connected and safe on the job with the BCX hands-free, wireless communication system. The BCX gives you peace of mind while working in remote locations knowing that you and your crew are in constant communication with one another. The BCX lets you talk for up to eight hours and listen for up to 10 hours.

BCX Headsets

Invisio Bone Mic

All-in-one audio device includes a speaker and in-ear microphone. This technologically advanced feature eliminates the need for an external microphone since the voice is directly collected in the ear canal by bone conduction. The ear plugs provide noise attenuation of up to 32dB.

Hurricane II Boom Mic

Designed with a low profile, the headset can comfortably be worn under your respirator providing impeccable sound quality in noisy environments. The headset comes equipped with noise canceling ear plugs rated up to 29dB of attenuation.

Noise Canceling Muffs

Keep your concentration without the noise with our audio headset that easily clips on a hard hat providing workers with noise canceling muffs rated up to 24dB.

Push-To-Talk

The push-to-talk feature lets you quickly alternate from full-duplex conference mode to a push-to-talk conversation.

Accessories

Color Skins

Protect your hand-held radio against scratches, dirt, and drops with one of our rubber casing skins available in orange, slate, red, navy blue, yellow, khaki green, or black.

Charging Kit

Never worry about charging your BCX with our 4-port USB Charging Kit that charges four BCX radios simultaneously.
