

Garant**Telescopic roller cabinet, Number of containment trays: 3****Order data**

Order number	914500 3
GTIN	4045197892058
Item class	9GT

Description**Version:**

The telescopic roller cabinet has a stable, deep-drawn sheet metal construction with spacious base container, 2 storage trays, and cover with all-round protection edging and X-ABS mat.

Two telescopic columns with integral gas pressure springs (each with 20 kg spring force) provide support for opening and closing the cabinet, particularly when loaded. When closing, the telescopic columns slide into each other, so that there is no projection when closed. With fold-away handle for pulling and pushing.

Centrally lockable by means of a **cylinder lock**. With roller bearing wheels (2 castors with parking brake, 2 fixed wheels).

Supplied with:

Dividing material. 6 divider partitions 365 mm, 1 divider partition 435 mm, 1 divider partition for the base tray.

Colour:

Two-tone **powder-coated**, silver combined with RAL 7016 anthracite.
