Contemporary Cover & Handle

AmesburyTruth™ has created a new Contemporary Cover and Handle for our Encore casement operator. It features a sleek, straight-line design with fresh modern colors.

This product sets the standard for our Contemporary family of products. Combine the new handle and cover with our Maxim, Signature, or Sentry products for a unified Contemporary look throughout the home.

The Contemporary Cover and Handle has the similar appearance of the AmesburyTruth™ Low Profile Encore Lock.

Key Features & Benefits

- ✔ Fits on all Encore operators
- ✔ Metal cover and handle
- ✔ Adds a contemporary look to other AT products
- ✔ Modern and Sleek Design
- ✔ Painted and plated options available
