CUSTOMIZATION... WITH ENDLESS POSSIBILITIES!

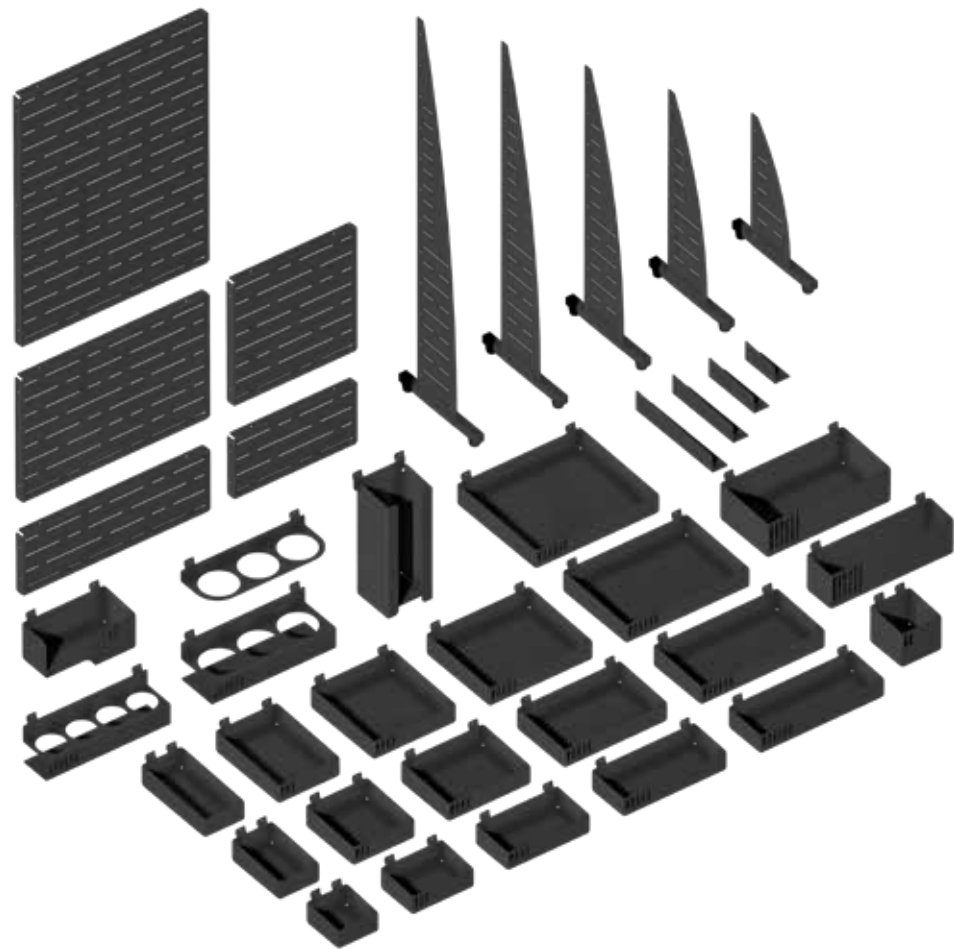

Your PanelRak™ system can be customized to fit your organizational needs in any C-store category. From wall-mounted displays, countertop organizers, and under-counter merchandising, your configuration options are endless.

Candy Merchandising • Cash Register Wraps • Health & Beauty Shelving & Pegs • Wine • Island Dividers • Transaction • End Caps

A wide variety of metal basket sizes are available to meet all of your merchandising needs.

The PanelRak™ system is an innovative modular organizing system comprised of panels, side fins and legs that allow for a variety of merchandising solutions. A large selection of baskets, hooks, shelves and specialty fixtures allow for virtually endless configurations. Panels accommodate most traditional peg board and slatwall hardware (hangers, pegs, and shelf brackets).

À La Carte: Available as à la carte components or as complete kits

Multiple Sizes: Many sizes and shapes of baskets in stock

Easy Assembly: Easy assembly when shipped à la carte (Allen wrench included)
