

ADAMAS COLLECTION

SKU:ILMONA-701-ADAMAS

The framework is crafted from stainless steel with a satin finish, while the tabletop is fashioned from teak wood. The chairs feature seats and backs made from PVC-covered polyester wire, intricately woven and high-frequency welded. The arms come in either Teflon® or Teak wood. For the sun loungers, you have the option of a synthetic fiber coating, Batyline®, or Teak wood. Standard finishing includes Fine Sanded teakwood, Banana Leaf synthetic fiber, and Black Batyline sling.
