PARASOLS

A parasol is more than just a useful accessory, it can bring a little objet d'art to your garden or balcony and provides the shelter you need, both in sunshine and light rain. To compliment your outdoor paradise perfectly, you can choose from our vast range of fabric colors to match your furniture. It goes without saying that both our models are of the upmost quality, extremely durable and UV light-absorbing. Because we believe so strongly in our product, we provide a 2-year guarantee.
