

Boston P Coffee Table

SKU: TMMOCT-601-1150 P

Product type: Indoor coffee table

32.5" W x 32.5" D x 18" H

Table that is based on the geometric compositions of Art Deco, playing with curved and straight lines to achieve a very sculptural yet light table.

Rod pieces run through the table and articulate both the body, support and legs of the table in a few strokes, giving the design movement and dynamism.

MATERIALS: Wooden top and metal base.
