OVERVIEW

The Cambio table for outdoor extends the office outside, bringing new ways of collaboration and teamwork alfresco. Defined by a singular central base with a seamless silhouette, Cambio is a minimalist game of geometry based on the transition from a square to a round shape, taking us back to our origins. Its structure, available in different sizes, combines with a selection of tabletops in various finishes, suitable for lounging, dining or meeting outdoors.

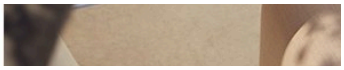

Rated for controlled outdoor use, preferably under porches or covered areas; outdoor protective covers are available.

Material	Central base in steel with outdoor treatment, powder coated black, white or taupe Compact laminate top, black or white
Finishes	Lacquered steel Compact laminate tops
Use	Outdoor, under porch or covered space; also suitable indoors
Origin	Made in Spain
