OVERVIEW

The Cambio low table works in any area. Defined by a singular central base with a seamless silhouette, Cambio coffee table is a minimalist game of geometry based on the transition from a square to a round shape, taking us back to our origins. Its structure, available in different sizes, combines to perfection with a selection of tabletops in various finishes such as marble, porcelain, linoleum, or Fenix, rising a distinctive table, suitable for both dining or meeting rooms, restaurants, and offices.

Rated for controlled outdoor use, preferably under porches or covered areas; outdoor protective covers are available.

Material	Central base in steel with outdoor treatment, powder coated black, white or taupe Compact laminate top, black or white
Finishes	Lacquered steel Compact laminate tops
Use	Outdoor, under porch or covered space; also suitable indoors
