OVERVIEW

Table featuring a top made of edge-glued solid cedar staves. The base, also crafted from solid cedar and carved from a single block, is composed of a slender cone at the base, a central sphere and a flattened cone beneath the top, creating a dynamic interplay of contrasting forms and defining a sculptural support with strong material presence and striking visual impact. Designed by Isabelle Rigal.

Only natural cedar is suitable for outdoor use. Cedar contract finish and Vulcano cedar are for indoor use only.
