MONDO SKU
RIMO20-403-CIR-STOOL

OVERVIEW

Stool crafted from solid cedar, carved from a single block and defined by a composition of overlapping geometric volumes — cone, sphere, cone — that creates a dynamic interplay of contrasts and gives the piece a sculptural character with strong material presence and striking visual impact. Designed by Isabelle Rigal.

Only natural cedar is suitable for outdoor use. Cedar contract finish and Vulcano cedar are for indoor use only.
