CLOUD COLLECTION

SKU:BLMOOM-701-CLOUD

Already radiating the confidence of a classic. With five selectable, unobtrusive frame colors, combining beautifully with a generous anthracite weave, it provides presence tinged with restraint whilst the mixture of design and top quality materials are brought to light in this collection. Soft olefin fabric encompasses our special outdoor foam, which we also use for the upholstery. The beauty and cosiness of this collection cannot be spoiled by water or weather. Whether for eating, resting or even working, with CLOUD, everything becomes a pleasure.
