23.5" W x 22.5" D x 30.25" H - 18.5" SH

Two unique strokes are the lines that form the metal structure, which run along the back and seat of this armchair design. These converge at the back in a stretch where they touch in parallel. The effect achieved is that of a visually very light piece.

The design incorporates three types of backrest, and its structure can be either tubular leg or metal rod sled base. This means that the resulting combinations can be diverse, making it a highly customizable product.

MATERIALS: The upholstery is available in COM , Fabrics or leather.

FINISHES: Metal
