

MANHATTAN COLLECTION

SKU:BLMOOM-701-MANHATTAN

It's often the simplest things that are the hardest to do. MANHATTAN's design evolved from our desire to make it as functional as possible. The lavishly crafted round fiber weave is both classically noble and timeless. What seems simple is anything but simple and only the skills of our workers make this look possible. We offer the pedestal in five discreet colours. In addition, the cushion colours and designs are easy to integrate based on your choice. You can also choose from six natural shades of weaving. MANHATTAN lounge furniture is the epitome of urban outdoor nonchalance.
