Coffee Table
Ø 29.5"W x 12.5"H

Small table in solid scented cedar machined from a section of a trunk, a single block, in which are visible the characteristic concentric rings of the tree. The products are made from completely natural leather and hand-finished without the addition of any treatment. Movements, cracks and changes in the appearance of the wood are intrinsic characteristics of these items and result from the natural settlement and diverse environmental conditions.
