

## Pond Mirror

SKU: BEMOAR-101-883LV

22.10" W x 36.25" H

The magic of reflection. The Pond collection conceives mirrors as small calm lakes from which elements emerge that seem to float. The shape of the frame casts a diffused shadow around the mirror that "floats" on the wall. All its measurements and rounded edges are visually harmonious, facilitating the combination of the whole.

**MATERIALS:** Mirror made of solid ash wood, with the possibility of different finishes. The shelf is shipped disassembled.
