

SISTEMA is a modular collection composed of independent elements. So, for the first time the client can compose and adapt a sofa using imagination to suit his or her taste, needs and requirement.

There will be a range of different arms, backrest, seats and accessories to choose from. These elements will be expanded with newly developed components each year, thereby creating an innovative concept that adapts to every situation, never seen before.

The upholstered modules are available in three different backrest heights and two seat types; one mounted on a metal structure with wooden legs or calibrated steel, designed for contract. And another module with the seats reaching till the floor, with height leveling feet, for domestic spaces.

The Sofa SISTEMA is designed to obtain maximum comfort without additional pillows; nevertheless we offer well-proportioned accessories.

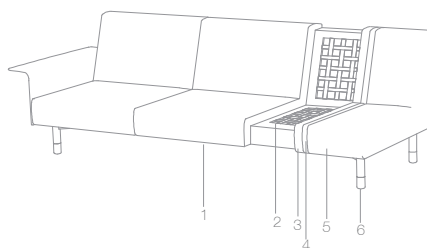

Thanks to the poufs, linear or angular compositions can be configured, thus to adapt to any space.

## TECHNICAL INFORMATION

### SOFA WITH LEGS

- 1- Calibrate steel structure powder coated in thermoreinforced polyester in shadow.
- 2- Interior structure in steel, wood and plywood.
- 3- Woven seat and back structure.

## LEG OPTIONS

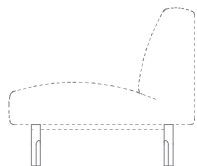

### SISPMET - CILINDER LEG

Calibrated steel tube legs, lacquered with thermoset polyester in the colors of our collection.

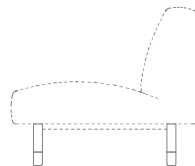

### SISPFL - FLUTE LEG

Leg in solid European oak with carved sides

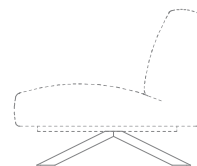

### SISPRO - BEECH AND OAK LEG

Wooden leg made of solid European oak combined with beech wood.

### SISPTI - SCISSORS LEGS

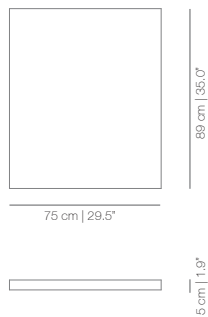

Calibrated Steel tube legs, lacquered with thermoset polyester in the colors of our collection.

## TABLE OPTIONS

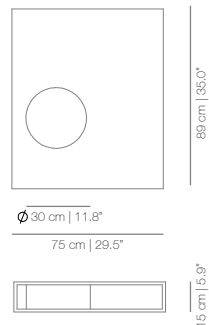

### SISMB - LOW TABLE

Table in MDF with polished European oak veneer, in the finishes of our collection.

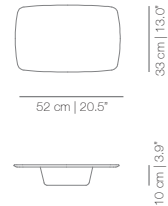

### SISMCP - WOOD BOX TABLE

Plywood container table made of beech wood covered with European oak veneer, in the finishes of our collection, and inner drum made of plywood board, lacquered in the colors of our collection.

### SISMA - FREE TABLE

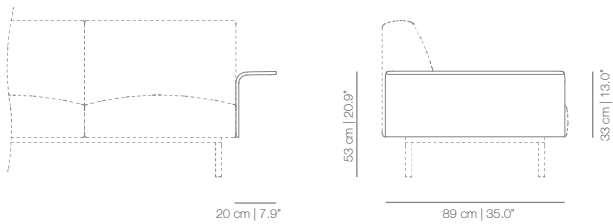

Table made of beech plywood and covered with European oak veneer, in the finishes of our collection.

## ARM OPTIONS

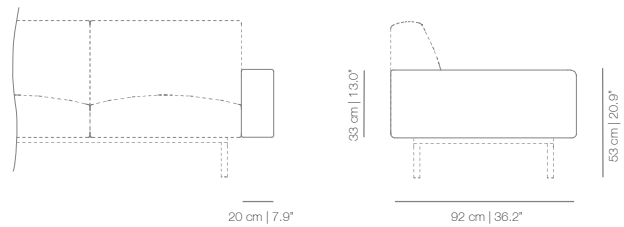

### SISBRMP - WOOD ARM

Armrest made of curved beech plywood board covered with European oak veneer, in the finishes of our collection.

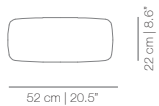

### SISBRFP - NARROW ARM

Steel and wood structure covered with indeformable expanded polyurethane foam of different densities and polyester fibre.

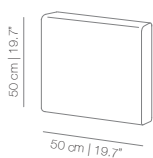

### SISBRA - FREE ARM

Upholstered armrest made of a plywood beech structure covered with European oak veneer, in the finishes of our collection.

## COMPLEMENTARY PILLOW

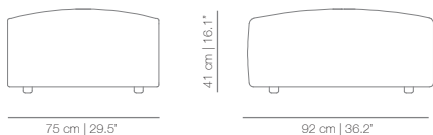

Cushions in washed duck and goose feather with anti-acarus treatment.

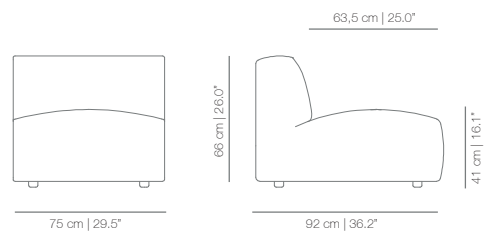

## SOFA WITHOUT LEGS

### UPHOLSTERY MODULES

SISSR - BACKLESS MODULE

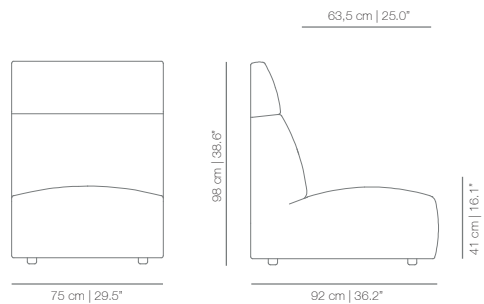

SISB - LOW BACK MODULE

SISM - MEDIUM BACK MODULE

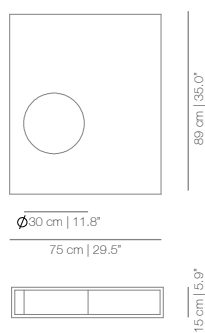

SISA - HIGH BACK MODULE

## TABLE OPTIONS

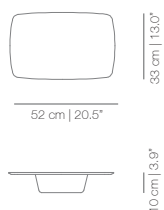

### SISMC - WOOD BOX TABLE

Plywood container table made of beech wood covered with European oak veneer, in the finishes of our collection, and inner drum made of plywood board, lacquered in the colors of our collection.

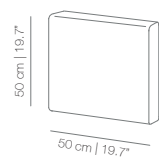

### SISMA - FREE TABLE

Table made of beech plywood and covered with European oak veneer, in the finishes of our collection.

## COMPLEMENTARY PILLOW

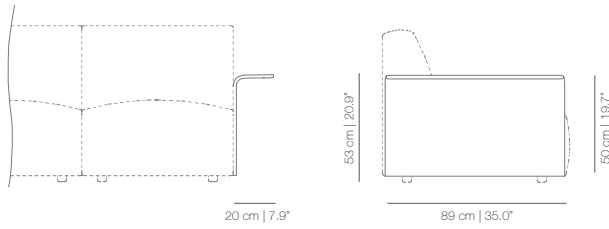

Cushions in washed duck and goose feather with anti-acarus treatment.

## ARM OPTIONS

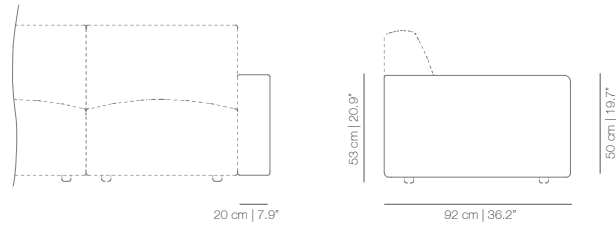

### SISBRM - WOOD ARM

Armrest made of curved beech plywood board covered with European oak veneer, in the finishes of our collection.

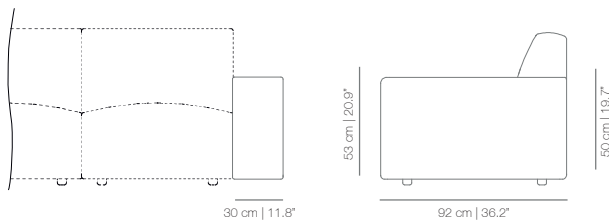

### SISBRF - NARROW ARM

Steel and wood structure covered with indeformable expanded polyurethane foam of different densities and polyester fibre.

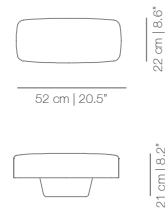

### SISBRG - WIDE ARM

Steel and wood structure covered with indeformable expanded polyurethane foam of different densities and polyester fibre.

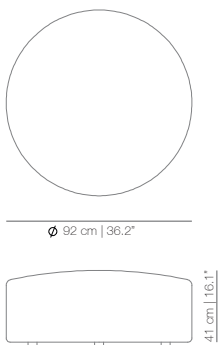

### SISBRA - FREE ARM

Upholstered armrest made of a plywood beech structure covered with European oak veneer, in the finishes of our collection.

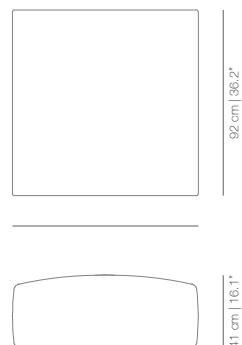

## POUFS

### SISPOR - ROUND POUF

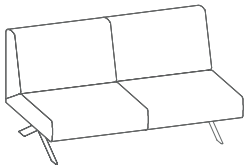

### SISPOC - SQUARE POUF

Lievore Altherr Molina is a product design consulting and art direction, international studio.

Was created in 1991 by the merging of its three partners: Alberto Lievore, Jeannette Altherr and Manel Molina. Since its founding, the studio has been devoted to product design, consulting and the art direction of various companies, always offering individualised solutions.

Throughout the years the studio has been recognised for its furniture design, its interior design projects, its products, and packaging. Simultaneously, the studio has developed an intense teaching practice, giving seminars and training courses to new professionals at various Spanish universities and other organisations.

The studio has been awarded many national and international awards, including Spain's National Design Award in 1999.

Lievore Altherr Molina has exhibited their work in Barcelona, Cologne, Chicago, Stockholm, Helsinki, Lisbon, London, Louisiana, Madrid, Malmö, Milan, New York, Paris and Tokyo. Their ideas and projects are regularly published in the most prestigious design magazines around the world.
