Collezione in frassino curvato a vapore composta da:
sedia e polltroncina dining , poltrona lounge con schienale imbottito o intrecciato con cordino naturale o corda nautica, e da sgabello con sedile imbottito e schienale legno o imbottito. Per la realizzazione di tutti i modelli Zant / Zantilam vengono utilizzati componenti in frassino curvato a vapore. Questa particolare tecnica produttiva non garantisce al legno, in quanto elemento vivo, raggi di curvatura costanti. Pertanto non possiamo garantire la perfetta simmetria delle curve.

*Collection in steam bent ashwood composed by :*
*dining chair, dining armchair and lounge armchair with back upholstered or woven in natural thin rope or nautical rope,*
*and by barstool with upholstered seat and wooden or upholstered back.For all models of Zant and Zantilam collectiontue components are in steam bent ashwood. This peculiar production method do not allow to wood , as a natural material, to keep constant bending radiuses. For this reason we cannot guarantee the perfect simmetry of shapes.*
