

Automatic Tamper Cinoart

Total Tamper

PRESSURE CONTROL

Ideal tamping pressure control, from 2kg to 38 kg.

CONSTANT PRESSURE

One constant pressure for one setting even under different amount of powder.

INTELLIGENT POSITIONING

GLS patent, "Guide Leveling System" that guarantees a flat coffee bed at all times.

NON-STICK COATING

Nano technology with non-stick food grade coating that guarantees hygienic pressing.

VERSATILITY AND UNIVERSAL COMPATIBILITY

Works with all coffee machines and types of portafilters on the market.

Technical Specifications

Voltage	12V
Power	60W
Net Weight	3.7kg
Ajustable Pressure	2kg - 38 kg
Pressing Duration	1.2 seconds
Tamping Times	1-3 times
Size	136x133x327 mm
Tamper Diameter	51mm a 58,3 mm
Colour	White and black
Tamper Shap	Flat Botton
