Stage Orders for Pick-up.

The Metro® Pick-up Station eliminates congestion around counter spaces in the front-of-house while offering customers and delivery drivers a convenient designated spot to pick-up orders. This unit can also be used in the back-of-house, or wheeled out to the curb, to keep orders organized. Alphabetize and separate orders by utilizing label holders and wire dividers.

The easy order part number includes everything pictured and ships in one box!
