Product Description

Global Industrial™ retractable barriers help create lines and block off restricted areas in banks, offices, retail environments and more. These crowd control stanchions feature a belt brake for added safety and a torque spring mechanism for smooth and silent belt retraction. The belt head includes 4-way connectivity with universal connection splines. The retractable yellow/black belt is constructed from 7-1/2" L x 2"W herringbone weave, nylon material that will last the life of the post. Each unit features a 14" diameter, 16 lb weighted base for

stability and rubber floor protectors for maximum protection to show room or facility floors. Stainless steel post measures 40"H overall with 2-1/2" diameter. Yellow/Black belt. Easy assembly. 1 Year Limited Warranty.

Ships flat; packed 2 stanchions per box.
