Global Industrial™ Stretch Wrap Machine w/NTEP Scale, 10 Free Rolls of Stretch Wrap

★★★★★ (0)

Ships Same Day

Product Description

✓ Wraps approximately 25 loads per hour
✓ Includes auto detect pallet height and emergency shut off function for safety
✓ Built-in scale and label printer save you time by completing wrapping, weighing, and labeling simultaneously

Increase productivity and eliminate worker strain with the Global Industrial™ Semi-

Automatic Stretch Wrap Machine with NTEP Scale. If you're wrapping five loads or more per day, by hand, you're in the market for our semi-automatic stretch wrapper. Designed to reduce the labor required per load, prevent shipping damage, and eliminate improper stretch wrapping, the machine's heavy-duty industrial design is built for long-lasting service. Use with 20" wide machine length stretch wrap. Optional ramps sold separately. ETL/cETL Certified. 1-Year Limited Warranty.

- Photo-eye allows operators to walk away
- Front and rear forklift access
- 110-volt, 9.5 amp.
- 13 RPM variable speed turntable

Includes 10 Free Rolls of Global Industrial Machine Length Stretch Wrap, Cast, 80 Gauge, 20"Wx5000'L, Clear
