★★★★★ (0)

Ships Same Day

Product Description

✓ Clean chrome finish is suitable for customer-facing spaces
✓ Open design maximizes air & light circulation while minimizing dust buildup
✓ Hardwood deck overlay creates a solid surface and clean, professional appearance

The 60"W x 14"D x 34"H Nexel® Chrome Wire Shelving Display is a versatile solution for storing products, supplies, and merchandise in any retail or commercial environment. It is

constructed from high-quality steel with a bright, high-gloss nickel-chrome finish for durability in dry storage environments, while the open design minimizes dust accumulation and promotes air & light circulation. The included hardwood deck overlay with radial-cut corners seamlessly fits over the wire shelf to create a solid surface that helps support smaller items and provides a cleaner, more organized appearance. Ideal for stockrooms, offices, retail stores, and hospitality settings, this unit comes equipped with two adjustable shelves, four posts, shelf clips, and leveling feet with non-marring floor glides for use on uneven surfaces.

- Shelves adjust in 1" increments without the need for tools
- Ideal for storing, displaying and organizing products or merchandise
