# Global Industrial™ 46" Round Kids Picnic Table, Perforated Metal, Gray

★★★★★ (1)

In Stock, Ships in 3-4 days

## Product Description

✓ Lower seat & tabletop heights provide easy, independent access for small children
✓ Gray thermoplastic coating resists corrosion, fading, & heat accumulation
✓ Includes stainless steel hardware & (28) acorn safety caps

DESIGNED FOR OUTDOORS:
Ideal for schools, daycares, camps, parks, and other child-focused outdoor environments. This kids' picnic table is built with a smooth, UV resistant thermoplastic coating over

perforated metal to withstand heavy daily use, seasonal temperature changes, and direct sunlight.

BUILT TO CARRY THE LOAD:
High weight capacities for the tabletop & benches ensure a safe & comfortable experience with a 300-pound capacity per bench and 1000-pound weight capacity for the tabletop.

KID-SIZED COMFORT & SAFETY:
The 46" round tabletop easily holds snacks, meals, and activities, while the four bench seats, measuring 37" long by 11-3/4" wide, provide seating for multiple children. The lower bench height (12") and scaled tabletop height make sitting down and standing up easy for kids. Rounded corners and beveled edges enhance safety, and a center hole accommodates umbrella poles up to 1 1/2" diameter.

RESISTANCE TO THEFT & VANDALISM:
Welded mounting tabs on the frame allow the table to be permanently anchored to concrete, asphalt, and other surfaces to deter theft. The punched hole pattern of the perforated metal makes an unappealing surface for graffiti and paint does not adhere well to the thermoplastic coating, making it easy to clean.

INDUSTRIAL STRENGTH:
Heavy-duty perforated metal mesh benches & tabletop promotes airflow, limits snow & dust accumulation and standing water. The perforations punched into the metal are precisely placed to avoid the edges and assembly points, providing additional strength with a clean & elevated look versus expanded metal. Heavy-gauge galvanized tubular steel frame is finished in a corrosion-resistant gray powder coat. Stainless steel hardware won't rust or corrode over time and comes with plastic protective acorn nuts that prevent injuries from rubbing against exposed bolt ends.

- Limited 7-Year Warranty

## Specifications

### Weights & Dimensions

| | |
|---|---|
| Length | 74-1/8 in |
| Width | 74-1/8 in |
| Height | 24-1/2 in |

| | |
|---|---|
| Seat Length | 37 in |
| Seat Width | 11-3/4 in |
| Seat Height | 12 in |
