Stanley® 16-227, Center Punch, 4" X 1/4"

★★★★★ (0)

Ships Same Day

Product Description

- Forged, one-piece construction from Chrome Vanadium steel for increased strength and durability.
- Size marking on shank allows for easy identification of the tool.
- Yellow powder-coated finish for high visibility and to provide corrosion resistance.
- Striking surface is hardened and has chamfered edges for greater chipping resistance.
- Punch edge is ground to a precise angle for efficient punching and durability.
- Used for marking intersecting center lines, hole locations and pilot drill starting points.
