★★★★★ (0)

Ships Same Day

Product Description

✓ Vertical mount occupies less space.
✓ 4 mounts included to hold up to 4 bikes total.
✓ Non-lockable design allows quick bike mounting and retrieval.

Looking to save space on bike storage? The Global Industrial™ Indoor Vertical Bike Rack holds up to 4 bikes off the surface, saving floor space around your facility or residential

garage. Station this rack in an apartment, an indoor rec center, and more. The non-lockable system allows quick accessibility to stored bikes and is perfect for private storage. The indoor bike rack requires 7' ceiling height and features a staggered design that minimizes handlebar interference. Anchor bolts not included. 1 Year Limited Warranty. Rack dimensions are: 72"W x 45"D x 84"H. Individual mount dimensions are: 4-7/8" W x 5-1/2" D x 53-1/7" H.

- Bike rack features a flange type mount for firm stability.
- Entire set is made of durable steel construction and coated in a traditional black finish.
