Usually ships in 3 to 6 days

Product Description

✓ Recessed snag-free latch with padlock hasp
✓ Pre-assembled for quick and easy installation
✓ Fully-ventilated doors & sides for maximum air circulation

Engineered for years of dependable service, this assembled gray Global Industrial™ Infinity® 2-Tier/6-Door Locker features perforated doors and side panels that promote air circulation to help prevent odors and mold & mildew growth, making this locker ideal for

gyms, spas, and sports equipment. The lockers are built for durability and security with 5-knuckle security hinges, 16-gauge steel with a gray powder coat finish, recessed finger-lift latch mechanisms, and a 2-point positive locking system. The recessed latch presents a clean look, reduces snags, and improves security as it also recesses the padlock to make it more difficult to cut it off. Useful design details for individual lockers include blank number plates and double- & single-prong coat/apparel hooks. No assembly required. Limited 1-Year Warranty.

- Six (6) individual 15"W x 18"D x 36"H locker compartments
- Padlock hasp accepts 9/32"D padlock shackle
- Rubber bumper on door frames reduces noise when shut
- 6"H legs elevate the locker off the ground
- Locker unit can be bolted to the floor with user-supplied anchors
- Assembled lockers are not returnable
