Nexel® Automatic Fill Pourover Coffee Maker, 2 Warmers without Decanter

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Connects to a water supply for automatic refill
✓ Dual power switches for brewing & warming
✓ Brews a complete pot in less than 8 minutes & up to 56 cups per hour

This Nexel® Automatic Coffee Maker is your solution to brewing large amounts of coffee for any café, restaurant, or commercial office space. Built from durable stainless steel, this

plumbed coffee maker brews between 190 and 200°F to unlock the full potential of your coffee beans, resulting in a balanced, flavorful-tasting cup of coffee. It has a slim, compact design that is perfect for places with limited counter space and features an easy-to-clean funnel, automatic water refill, dual power switches, a front plate red indicator light, and (2) independently controlled top and bottom non-stick warmers. Limited 1-Year Warranty.

- Requires plumbing
- Decanter sold separately
- Brews between 190 - 200°F
- Energy saving up to 68%
- UL & ET-Sanitation Certified
