Product Description

✓ Set of four 5" casters with brakes
✓ Donut bumpers protect walls & furniture
✓ 300 lb weight capacity per wheel, 1200 lb per set

This set of medium-duty Nexel® Stem Casters is designed to be installed onto the bottom of Nexel shelf system posts to convert a stationary shelf to a mobile one. The set is made up

of four 5" polyurethane wheels outfitted with brakes to lock the entire shelf in place and donut bumpers that help protect walls, furniture, & fixtures. NSF listed. Limited 1-Year Warranty.

- 0.85"D x 2"H stem fits Nexel shelf posts
- 1-1/4" wide wheels offer improved stability
- Non-marking polyurethane wheels won't damage floors
- Caster bracket & stem made of 12-gauge zinc-plated steel
- Temperature resistance:
- Continuous: -4 to 176°F (-20 to 80°C)
- Short Term: -40 to 248°F (-40 to 120°C)
