Global Industrial™ Bar Height Outdoor Dining Set, 36" Square x 42"H Table & 4 Chairs, Black

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Strong, lightweight expanded metal mesh promotes airflow
✓ Black thermoplastic coating resists corrosion, fading, & heat accumulation
✓ Includes stainless steel hardware and (11) acorn safety caps

DESIGNED FOR OUTDOORS:
Ideal for any outdoor setting, including restaurants, bars, public parks, outdoor food courts,

and more. Smooth, glossy thermoplastic exterior coating on the tabletop & chairs is UV-resistant to protect from fading, is engineered to withstand summer heat & winter cold, and is thermal-stable to stay comfortable even in direct summer sun.

BUILT TO CARRY THE LOAD:
High weight capacities for the tabletop & chairs ensure a safe & comfortable experience with a 600-pound capacity per seat and an evenly distributed 500-pound weight capacity for the tabletop.

COMFORTABLE SEATING:
This bar-height 36" square tabletop can hold all the food & beverages users bring, while the four chairs measure 16" wide x 16" deep. Beveled edges and rounded corners ensure a safe & comfortable experience. Chair height measures 29-1/2" from the ground to make it easy to sit down & stand up. A center hole accepts umbrella poles up to 1-1/2" in diameter.

RESISTANCE TO VANDALISM:
The open diamond pattern of the expanded metal makes an unappealing surface for graffiti and paint does not adhere well to the thermoplastic coating, making it easy to clean.

INDUSTRIAL STRENGTH:
Heavy-duty expanded metal mesh seats & tabletop promote airflow, prevent snow & dust accumulation, and limit standing water. Heavy-gauge steel frame and pedestal base are finished in a corrosion-resistant black powder coat. Stainless steel hardware won't rust or corrode over time and comes with plastic protective acorn nuts that prevent injuries from rubbing against exposed bolt ends.

- Limited 1-Year Warranty
