Product Description

Shelf Truck is ideal for distributing components of various sizes and weights to workstations and assembly lines. 18 gauge steel shelves offer 3" deep trays with machine-rolled tray edges for superior strength and rigidity. Shelves are reversible to offer flat shelf alternative. Sturdy 60"H 16 gauge ribbed steel angle uprights offer 800 lb. capacity. Steers easily with 5" x 1-1/4" polypropylene wheel ball-bearing casters (2 swivel, 2 rigid) and a convenient push handle. Durable powder coat finish. Assembles easily.
