Product Description

Modular Bulk Storage Rack
Add-On Unit with Steel Decking - 5 Levels
This Add-On Unit includes 2 T-posts to make expansion easy and join units with more stability and less construction than bolting 2 starter units together. Boltless design snaps together securely without tools or hardware. Open design allows access from all sides. Roll formed 14 gauge steel uprights ensure rigidity. Levels include rugged 5/8" thick steel

decking and adjust at 1 ½" increments without disassembly. Scratch resistant enamel finish.

Includes 2 upright T-posts, 5 sets of horizontal beams and steel decking.
